

## Puzzle from the Fall 2022 edition of the Hadley-Lake Luzerne Historical Society Newsletter

---

The original instructions are below on the left. If you feel you are no good at drawing free-hand, cut out the squares below and assemble the pieces like an ordinary jigsaw puzzle.

Draw a 3 x 5 grid of equal size squares on a sheet of paper.

Label the columns left to right as A, B, C and the rows top to bottom as 1, 2, 3, 4, 5.

Draw each square to the right in the correct square on your paper.

For example, A-2 would be:
